About Us

HKBK Group of Institutions has been consistent to maintain excellence in the academic standards since its inception. Our beautiful 17 Acre campus in the heart of Bangalore city inspires students to succeed professionally and personally in a competitive world. Learning is an enjoyable experience here, with experienced faculty, inspiring libraries, large playgrounds and so on. The institute has state-of-the-art infrastructure and provides an environment for progressive learning and development of the students. With inputs from the highly-dedicated and expert faculty along with an emphasis on the curriculum that enhances the thinking ability, our students have been consistent in displaying higher academic performance all through. HKBK Degree College prepares students for career success. Leading companies from different sectors are invited by the placement department on the campus, where the eligible students are facilitated to go through the entire selection process.

Career Focused Degree Courses

Our degree programmes are inspiring, challenging and constantly updated to equip students with essential work-related skills and experiences.

High Quality Teaching

We are committed to academic excellence and to provide the highest standard of education to our students.

Strong Industry Partnerships

We have strong relationships with national and international recruiters. This supports the employability of the students once they have completed the course.
